WinShape Camps

Spend a slice of summer at a beautiful retreat away from home with WinShape Camps. Located across North Georgia and the Carolinas, the awe-inspiring outdoors and our next-level programming create space for campers K-12 to shine. Choose from one- or two-week overnight experiences designed just for boys or girls.

Over the course of several days, all campers develop skillsets indoors and out, build friendships and grow in their relationship with Jesus—while having the summer of a lifetime.

Plus, we're paying 50% for first-time overnight campers!

WinShape Camps is the place for fun and faith with over-the-top intentionality.
